PRESENTS**

**Revue-sical**  
**The Musical**

**Celebrating our first 10 shows!**

**OCTOBER 21-22, 2021**

# DIRECTOR'S NOTE

It's so great to be back!!!

In some ways it seems like just yesterday that we closed our last show, Shrek the Musical in February 2020, and in other ways it seems like a lifetime ago! We originally planned this Revue show as a fun way to revisit the first 10 shows that Align Entertainment produced but now after all the lockdowns, restrictions, and overall uncertainty of the past 18 months it feels even more special and appropriate to

have a show like this be our first one back.

We started Align Entertainment back in 2013 with the idea that we wanted to do affordable family friendly musical theatre on a large scale. We wanted to work with people who were team players, and we wanted to grow the theatre community. I think I can safely say we've succeeded on all those points. We often say that we view our relationships with cast, crew, orchestra, and production teams as family - which is one of the reasons I'm so excited that we're bringing this amazing show to everyone because it means we get to see and work with members of our family once again! The response from everyone currently in the company as well as past cast, crew, orchestra, and production team members has been amazing! We're so blessed to have worked with these amazing people over the years and couldn't feel more grateful that they all jumped at the chance to come back and share their talents with us and you, the audience.

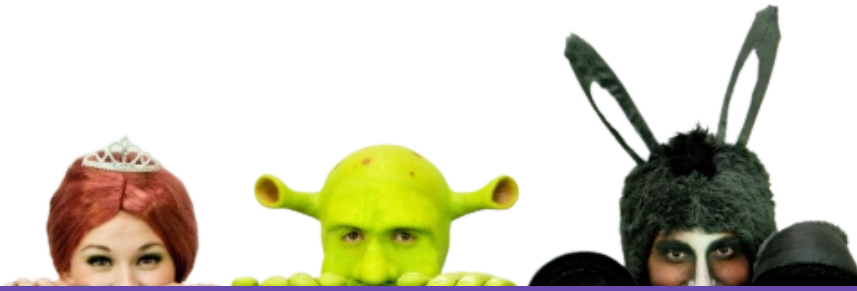

I also want to take this opportunity to say THANK YOU to you, our audience. When we sent out the notice saying we were going to have to postpone our shows due to the pandemic, we received almost universal support from our audience members who had purchased advance sale ticket vouchers. The most common reply that came back on the notice was, "as long as you're coming back to do the shows someday, we're happy to continue to support you and hold on to our voucher until that time." For a small company like ours that meant the world to us, and helped us to survive. We never lose sight that you, the audience, are the reason for our existence. It is wonderful to see so many of you come back year after year, it too is like welcoming back family.

I hope you enjoy the show!  
Chad

## ABOUT ALIGN ENTERTAINMENT

Welcome to Align Entertainment's seventh year of presenting high quality, family friendly theatre in metro Vancouver. It's been our pleasure to entertain you through exciting and fun filled shows at the Michael J Fox Theatre.

In addition to providing quality theatre experiences for our audiences, we also support opportunities for emerging theatre technicians to work backstage and in various production departments.

Align Entertainment also works hard at giving back to the community. Over the last several years we have donated ticket proceeds from our February Family Day matinees to the Michael J Fox Theatre Scholarship Fund. To date, we have donated over \$27,000 to aspiring young artists.

We hope you continue to enjoy our productions and we look forward to your ongoing support.
